

Global Decade Report 2 & ABC Global Charter Update Working Session

12 November 2023, 8:30-12:30 | Lisbon, Portugal
Meeting room 3A&B, Pavilion 3, CCL

The ABC Global Alliance, a multi-stakeholder platform for all those interested in collaborating on common projects relating to advanced breast cancer, invites all interested ABC7 participants to join its meeting.

Programme

8:30 **Introduction** – Fatima Cardoso, PT and Sarah-Jane Barker, UK

8:45 **Facilitated workshop stations** – All participants

10:40 **15-minute break** – All participants

10:55 **Facilitated workshop stations (continued)** – All participants

12:15 **Next steps and close** – Fatima Cardoso, PT

In order to allow participants to express their opinions, the audience will be divided in smaller groups, each group will rotate around 10 workstations, one for each goal of the ABC Global Charter. Your insights will be collected, discussed and used to inform the approach and development of the Global Decade Report 2 & ABC Global Charter Update.

Workshop Aim

The workshop will be dedicated to shaping the research approach for the upcoming 2015-2025 Global Decade Report 2 and update to the ABC Global Charter. Three main objectives will be covered in the meeting:

- Understand current perspectives on the level of progress made against the 10 ABC Global Charter Goals and capture gold standard examples of progress
- Explore approaches to measuring progress against the 10 goals
- Identify the most urgent and actionable gaps in care for people with ABC to inform the ABC Global Charter update
